Dear Friends of JCTR,

RE: CALL FOR ARTICLES TO THE 2022 FIRST QUARTER JCTR BULLETIN

Human dignity and common good are fundamental values, if respected and promoted, can enhance good governance. Good governance is aided by the recognition of peace, security and justice which push states and non-state actors to become more responsible and diligent in serving the ordinary citizens. Lately, the continent has been plagued with political, social and economic ills like coups, insurgencies, extremism violence, economic crises, conflict over mineral resource management, poverty etc.

In the light of this background, JCTR is calling for articles analysing various aspects of good governance. **For the forthcoming JCTR Bulletin, JCTR is calling for articles on the following:**

1. The role of regional bodies in promoting international security, peace and justice
2. International human rights
3. Efficiency of the parolee supervision in African countries
4. Promoting active participation of ordinary citizens
5. Promoting transparency and accountability in governance
6. Overview of a legal framework in fighting corruption
7. Political will in combating climate change
8. Political insurgencies in Africa
9. Extensive analysis of other key regional and international issues

The dateline for article submission for the fourth Quarter JCTR Bulletin is 15th March 2022. The articles should be in Times New Roman, Font 12 and NOT exceeding 1,500 words and must be sent to bulletin@jctr.org.zm and copy jctrbulletin@gmail.com

Thank you and we will greatly appreciate your positive response.

Faithfully yours,

Fr. Alex Muyebe, S.J.
